

Chapter 8: Choose your plan

Choose a plan before your free trial ends: it is what lets buyers place real orders. When a plan starts, your storefront's **Coming soon** page is lifted automatically and checkout opens.

Screen 8.1: Your free trial

Use case: keep track of how long your trial has left.

Trial card: days left, countdown and Choose a Plan

- The **Trial** card at the bottom of the sidebar shows the days left and a countdown.
- In the last 7 days, the dashboard and **Billing Center** remind you: **Your free trial ends in {n} days**.
- During the trial you can build everything: products, design, payments and shipping. Buyers see **Coming soon** and can't place orders yet.

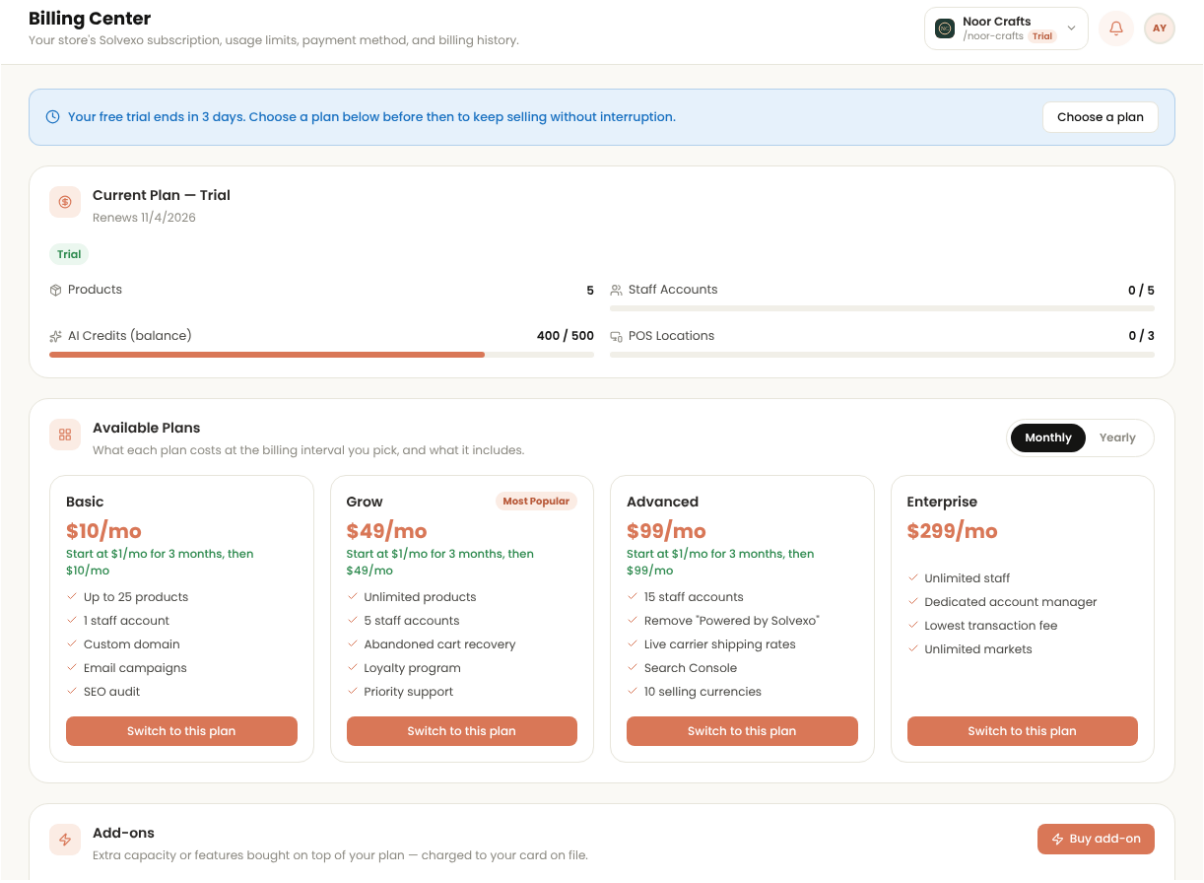

When the trial ends:

- A red banner says **Your free trial has ended — choose a plan to continue selling. Your data is safe.**
- A plan picker titled **Your trial has expired. Select a plan.** appears until you choose a plan.
- Your products, settings and design are all kept. Choosing a plan picks up exactly where you left off.

Screen 8.2: Billing Center

Use case: choose or change your plan, check your usage, update your card and download invoices.

Where: **Settings → Billing**, the **Choose a Plan** button on the trial card, or **Select a plan** in the Setup Guide

Billing Center: trial reminder, Current Plan with usage, and Available Plans

What's on the screen:

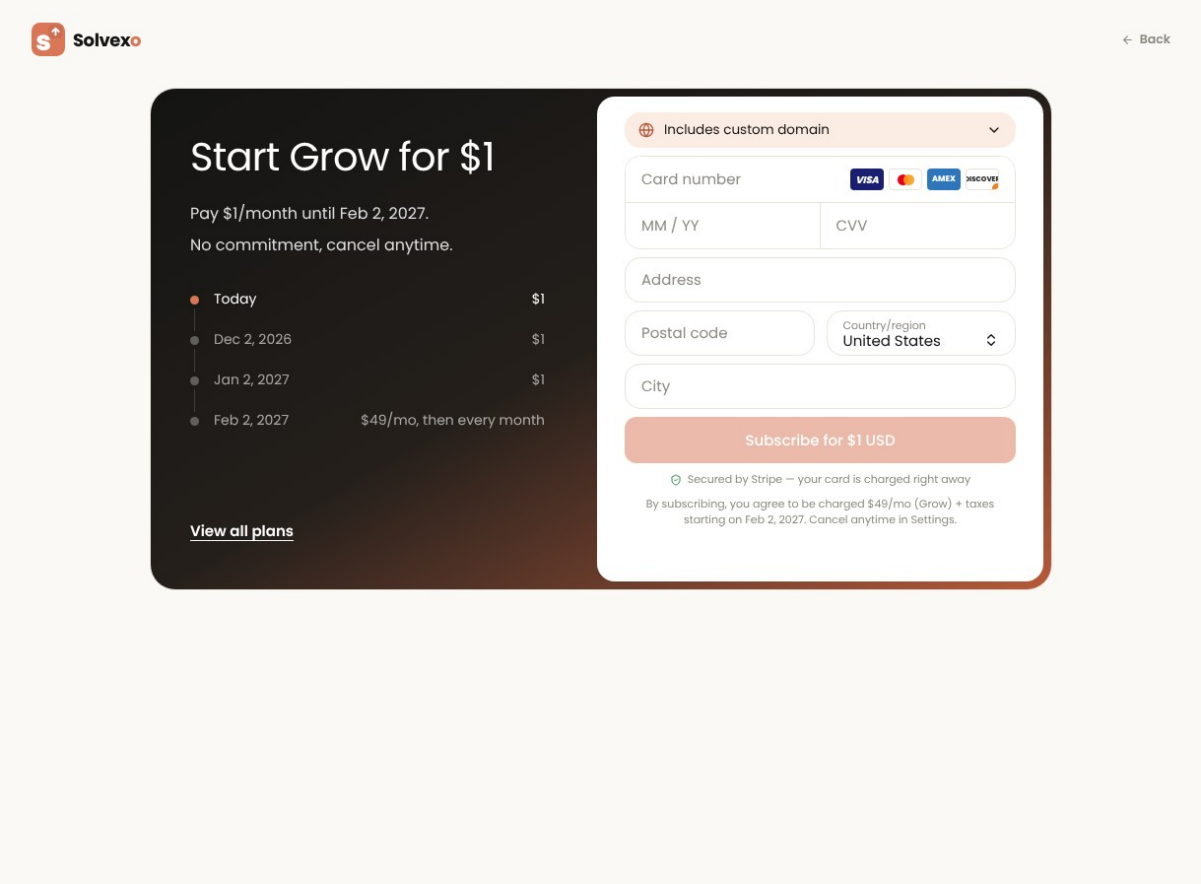

- **Current Plan:** your plan and its status, **Payment method**, and usage bars for **Products**, **Staff Accounts**, **AI Credits** and **POS Locations**.
- **Available Plans:** the plan cards, with a **monthly** / **yearly** switch. Yearly billing costs less per month. Some plans show a low introductory price for the first months.
- **Add-ons:** buy extras such as more AI credits with **Buy add-on**.
- **Transaction fees:** the small fee on sales paid through third-party gateways (Chapter 5), billed monthly.
- **Billing History:** your invoices.

To choose your first plan:

1. Choose **monthly** or **yearly**.
2. Compare the plan cards. Plans differ in how many products, staff and selling currencies you can have, and in extras such as removing the "Powered by Solvexo" badge. Click **View all plans** or **Compare plans** to see every difference.
3. On the plan you want, click **Switch to this plan**.

4. Enter your card details and click **Subscribe for ${X} USD**.

What you'll see: Payment successful — you're on {Plan}. The plan card shows **Current Plan**, and the sidebar card shows your plan and **Manage Plan**.

Plan checkout for Grow: charge timeline on the left, card form and Subscribe button on the right

To change plans later: click **Switch to this plan** on another plan and check the amount in **Confirm Plan Change**. A move to a cheaper plan starts at your next billing date.

To cancel: click **Cancel plan**, optionally give a reason, and click **Cancel at period end**. You keep your plan until the end of the period you've paid for. Click **Reactivate** to undo.

> Note: plan prices on the Billing Center are in US dollars and do not include taxes.

باب 8: اپنا پلان منتخب کریں

مفت آزمائش ختم ہونے سے پہلے پلان منتخب کریں؛ اسی سے خریدار اصل آرڈر دے سکتے ہیں۔ پلان شروع ہوتے ہی **Coming soon** کا صفحہ خود بخود ہٹ جاتا ہے اور چیک آؤٹ کھل جاتا ہے۔

اسکرین 8.1: مفت آزمائش (Trial)

استعمال: آزمائش کے باقی دن دیکھنا۔ سائیڈ بار کے نیچے **Trial** کارڈ باقی دن اور الٹی گنتی دکھاتا ہے۔ آزمائش ختم ہونے پر سرخ پٹی **Your free trial has ended** آتی ہے اور پلان منتخب کرنے تک پلان کی اسکرین سامنے رہتی ہے۔ آپ کا سارا ڈیٹا محفوظ رہتا ہے۔

اسکرین 8.2: Billing Center

استعمال: پلان منتخب یا تبدیل کرنا، استعمال دیکھنا، کارڈ بدلنا اور انوائس دیکھنا۔

1. **Settings → Billing** کھولیں اور **monthly** یا **yearly** منتخب کریں (سالانہ پلان مہینے کے حساب سے سستا پڑتا ہے)۔
2. پلانز کا موازنہ کریں (**Compare plans**)، پھر مطلوبہ پلان پر **Switch to this plan** پر کلک کریں۔
3. کارڈ کی تفصیلات لکھ کر **Subscribe for ${X} USD** پر کلک کریں۔

آپ کیا دیکھیں گے: **Payment successful — you're on {Plan}.**

پلان منسوخ کرنے کے لیے **Cancel plan** اور پھر **Cancel at period end** پر کلک کریں؛ ادا شدہ مدت ختم ہونے تک پلان چلتا رہتا ہے۔ Note: قیمتیں امریکی ڈالر میں ہیں اور ٹیکس شامل نہیں۔
